

ST. RAPHAEL

THE ARCHANGEL CATHOLIC SCHOOL

**St. Raphael the Archangel Catholic School
Enrichment Programs
Fall 2019**

Because our students have a wide variety of interests and talents, St. Raphael the Archangel Catholic School strives to offer opportunities for students to explore extra-curricular activities as part of our after school Enrichment Program. Attached you will find a list of enrichment classes offered this fall.

Fall 2019 Enrichment Program classes will meet as noted in the description of each class.

GENERAL POLICIES AND PROCEDURES

Registration: Please use a separate registration form for each child and for each class. Checks are to be made payable to the class instructor, with a separate check for each class. All checks and registration forms must be received by the deadline stated in the program description. Payment is required for registration, and classes will be filled on a first-come first-served basis. There will be no refunds for early withdrawals from the class. **Please note that alternate registration instructions, if applicable, are noted in the class descriptions.**

Refunds: If you register your child for an Enrichment Program class that is subsequently cancelled due to low enrollment, you will be refunded your payment for that class. Refunds will also be made for any individual class that is cancelled by the class instructor or due to weather-related school closure, unless a make-up day is scheduled on the same day of the week in the future. This refund policy applies to Enrichment Program classes instructed by St. Raphael teachers and registered through Ms. Ford at St. Raphael. Please check with outside instructors to confirm their refund policies.

Attendance: To ensure your child's safety, we must be informed of absences from enrichment classes. If your child is present at school, we will assume that he/she will be present at the scheduled enrichment class. Likewise, if your child is absent, we will assume that he/she will also be absent from that day's

scheduled enrichment. Variations from this must be noted in writing/email to the class instructor and school office.

There are no enrichment classes held on days school is not in session, early dismissal days, and PTS conference days. You should receive notification from the class instructor if there will be no enrichment for only a specific class. This applies to classes offered by outside agencies, as well as those offered by school personnel. Last minute cancellations should be rare. If a class must be cancelled at the last minute, students will be allowed to call a parent or guardian to pick them up.

Arrival and Dismissal: Students will be dismissed from their homerooms to the Enrichment Program each day.

Students enrolled in the Enrichment Program are expected to be picked up when the class is scheduled to end, as stated in the class description. We thank you for your cooperation in being prompt. If you are not able to arrive within 5 minutes of the stated end time of the enrichment class, your child may be dismissed from the Enrichment Program class with no refund (at the discretion of the class instructor). This is to ensure the safety of your child and to respect the time commitment of the class instructors.

Schedule Conflicts: Please consider carefully your child's extracurricular activities that may cause a schedule conflict with enrichment classes for which he/she is committed. There are no refunds for absences.

Behavior: Students who register for Enrichment Program classes are expected to be respectful and attentive, and to follow the Code of Student Conduct. It is the responsibility of the enrichment class instructor to ensure that the environment is conducive to a meaningful experience for all students, and repeated misbehavior by a student during an Enrichment Program class may result in a call to parents or guardians, issuance of a discipline report, or dismissal from the class. You will receive notification from the instructor if any of these events occur, and there will be no refund of any fees paid if your child is expelled from the class due to misbehavior or repeated failure to attend.

**St. Raphael the Archangel Catholic School
Enrichment Program Classes Fall 2019**

Fitness Giants Enrichment

Day: Wednesdays, 2:30 – 3:30 pm
October 2 – November 6

Location: St. Raphael. Meet in Media Center, as weather determines where class will be held.

Grades: K – 5

Class size: up to 20

Class instructors: Sheena O'Brien, Amy Straub, Katie Chaplin, Carrie Schuhmann

Fee: \$10.00 (checks payable to Sheena O'Brien).

Registration instructions: Please use the registration form on page 6 of this booklet, and return with payment to Ms. Ford by September 27, 2019.

Join us for an hour of fun activities to help burn off some energy! Each week we will have different games, FUN exercises, relay races, and obstacle courses. We will also provide a small healthy snack as well as some education on health and fitness! If your child has any food allergies, please make sure to note them on the registration form!

Middle School Math Enrichment

Day: Mondays, October 7 – December 16; 2:45 – 3:30 pm

Location: St. Raphael, Computer Lab

Grades: 6-8

Fee: None

Class instructor: Mr. Josh Kocher

Registration instructions: Please use the registration form on page 6 of this booklet, and return it to Ms. Ford by September 27. Drop-ins are also welcome if a student has written permission through a note or email to the office.

Mr. Kocher (dad to Sam, 7th grade, and Clare, 2nd grade) will be holding a math enrichment class every Monday afternoon from 2:45-3:30. This is for middle school students who may need some extra help with math homework, review, or even enrichment. Mr. Kocher has an engineering background and a love for math! He is looking forward to helping our students.

Bricks 4 Kidz

Day: Mondays 2:45- 3:45 pm

October 28 – December 2

Location: St. Raphael, Michael Room

Grades: K – 5

Class size: max 20 students

Class instructor: Beth Brown, Dawn Taylor

Fee: \$70.00

Registration instructions: Please register and pay online at bricks4kidz.com

Bricks 4 Kidz programs provide an extraordinary atmosphere for students to build unique creations, and explore architecture and engineering, including famous buildings, motorized machines and inventions, all while having fun using LEGO® bricks. The activities are designed to trigger young children’s lively imaginations, build their self-confidence, and develop problem solving and critical thinking skills. Class size is limited. Contact instructor Beth Brown with any questions at bbrown@bricks4kidz.com or 502-287-7588.

The theme for this 6 week session is “Travel Through Time.” *Modes of transportation have evolved through time as technology continues to advance. In this class children will build various modes of transportation from horse and buggy to modern day airplanes while learning about how they each function.*

Enrichment Programs
Fall 2019**

Registration Form

This form is to be completed and submitted only for those Enrichment Program classes that are registered through Ms. Ford at St. Raphael. Registration information for each class can be found in the description section for each class in the Enrichment Program booklet.

Name of Enrichment Program Class: _____ Day of Class: _____

Student name: _____ Grade: _____ Homeroom: _____

Parent/guardian name(s): _____

Parent/guardian email address: _____

Emergency Contact Phone Numbers:

_____	_____	_____	_____
Name	home phone	cell	work

As my child's parent/guardian, I give permission for the above-mentioned child to stay after school for the above stated enrichment class, with a class instructor who is serving as an independent contractor for the scheduled sessions. I grant the class instructor permission to arrange for emergency medical/dental care and treatment necessary to preserve the health of my child. I acknowledge that I am responsible for any expenses related to such care and treatment during this period. I voluntarily consent to the rendering of such care by authorized members of the emergency staff or their designees as may, in their professional judgment, be necessary.

Allergies, medical conditions, or behaviors that I believe my child's class instructor needs to know:

By completing and submitting this form or by registering my child/children for any St. Raphael the Archangel Catholic School Enrichment Program class, I am acknowledging that I have read and agree to the policies and procedures described in pages 1 and 2 of the Fall 2019 Enrichment Program booklet.

We Learn. We Build. We Play.

After School

St. Raphael Catholic school

COME BUILD WITH US.

Fridays 2:45- 3:45 pm

Session 1 (6 weeks) October 8-November 22

TRAVEL THROUGH TIME

Modes of transportation have evolved through time as technology continues to advance. In this class children will build various modes of transportation from horse and buggy to modern day airplanes while learning about how they each function.

Session 2 (dates coming soon)

FORCES OF NATURE

Fasten your seatbelts; we're in for some wild weather! This unit is all about the amazing and powerful forces of nature, as students explore the when, where, how and why of all kinds of natural phenomenon. Learn how they move, why they happen and what you can do to stay safe!

Cost: \$70 per session
